Hi Jim! I am sorry to hear about your on-going problems with homeless. I know this is a frustrating issues for many of our Hollywood Business owners.

I assume your concerns are near your property at the 5173 Hollywood Blvd address? If so, I would recommend that you reach out to Dan Halden in Councilmember Mitch O'Farell's office. Dan can be reached at (213) 207-3015 or via e-mail at daniel.halden@lacity.org<mailto:daniel.halden@lacity.org>. Dan should be able to help connect you with the appropriate City folk. I have copied Dan on this e-mail as well to get the process started.

Also, the Chamber along with neighborhood stakeholders are in the process of establishing a BID for your section of the neighborhood! Once the BID gets underway I am sure we will be heavily involved in homelessness issues as well. We are at the very beginning of the process so now is the perfect time for you to get involved. The proposed HOLLYWOOD WESTERN BUSINESS IMPROVEMENT DISTRICT (HWBID) will advocate, as its main function, the creation of street scape improvements, along Hollywood Boulevard, between the 101 Freeway and Edgemont Street, and along Western Avenue, between Franklin Avenue and Melrose Avenue. This should include your address at 5173 Hollywood Blvd. I have copied Katie and Aaron of Urban Consulting on this message so that we can be sure that you are kept abreast of the BID formation as it makes its way through the City Process.

Also there is some further information at <http://hwbid.nationbuilder.com/>

Hope this helps!

-Nicole

Subject: RE: Hollywood's homeless

I've had the trespass sign up for years. I've contacted Officer Sevdalian, our community liaison officer. We don't have a business improvement district, which is why I joined HCC. I was looking for info on a possible city department that has answers or jumping on the bandwagon of an HCC-connected group working on the issue. Thanks.

Dear Mr. Buck,

Thank you for reaching out and I apologize about the delay in my response. In regards to your inquiry, I think a

good place to start is by contacting your local BID (Business Improvement District). Hopefully they would be able to provide you with some insight. In addition, if you were having issues with loitering on your property, please see the message below.

Regards,

Garen

If your business would like the LAPD to remove unwanted visitors from your area, the process is as such:

1. Your business must post specific signage at your location in a visible area
2. Then complete and submit a Trespass Arrest Authorization Form to the LAPD

1. For the signs:

There is specific language to be printed on the signs (sample attached) and the signs should be made of material that can be bolted into the side of the building, so they may not be removed. The Sign Studio in Burbank has done many of the signs in our community and already have the template with the required specs. These signs are approximately \$40 each and your logo can be added. Please contact Julie at the Sign Studio to get this done (818) 843-9200 or info@signstudiola.com

2. For the Trespass Arrest Authorization Form:

Once your sign is up, simply fill out the Trespass Arrest Authorization Form (attached). This completed form enables any of your employees to call LAPD when there is a trespasser on site and gives LAPD authorization to remove that person immediately. The completed form must be brought to the Hollywood Division Police Station at 1358 N. Wilcox Ave. and will become active the moment it is submitted.

This program is already working for many of our Chamber members and is an excellent way for us to support LAPD's efforts. If you have any questions, please contact Lieutenant Alex Baez, Hollywood Entertainment District at 26623@lapd.lacity.org

Dear Mr. Bostanian,

Does the Chamber have a contact within the city to help deal with the homeless problem in Hollywood? I have many issues that need to be dealt with. Many thanks.

Dear Mr. Halden,

I contacted Aram last week and his suggestion was LAPD. I contacted the Senior Lead Officer, Sevdalian, and he said he would put on extra patrols. Now we wait and see. Many thanks to you and Aram for your help.
